Trans Atlantic

XIth International Gathering BRASILIA 2012 TRANSATLANTIC BOOKING FORM

Notes to assist in filling out the Transatlantic Booking Form for the International Gathering in Brasilia. Numbers below relate to the section of the booking form.

1. About You

Please fill in your full name as on your passport and then below that, your name as you would like it to appear on your name badge.

Your mobile number (including full international dialling code) is essential as this is the way that messages will be relayed during the Gathering.

Your email address will be used to acknowledge receipt of monies and for ongoing communication.

6. Your Team

This information is required so that you will not find yourself in the same hotel or mixed team as someone from your own team or sector.

7. Languages spoken

These 7 languages are the official languages: name badges will be colour-coded to indicate languages spoken. People will be put into mixed team meetings based on the information given here. If you would not be comfortable conducting a team meeting in a language, do not put '3' against it.

If you do speak other languages from around Transatlantic, e.g. Gaelic, Chichewa, Afrikaans etc. please let us know as there may be opportunities to use them during bidding prayers etc.

8. The choir

We have only been asked about singing. If anyone wants to play an instrument, let us know and we will find out what the arrangements are. The working language will in all probability be Portuguese.

9. Special Needs

These are the headings on the international database. Please email anything specific you need, particularly dietary requirements so that your needs can be met. We understand that most of the accommodation will be fairly close to the venue, certainly within walking distance.
